SKILLS

- ❖ C language,DBMS,DS
- ❖ HTML, CSS, Javascript,Bootstrap
- ❖ Node.JS,React.Js,MongoDB ,Angular.js

EDUCATION

- ❖ **Marwadi University** – B.Tech (Computer Engineering) (2024 – 2027) *SGPA:8.86*
- ❖ **LDRP College** – 1st Year of B.Tech Computer Engineering (2023 – 2024)(CPI:7.84)
- ❖ **Utkarsh School** – Higher Secondary(GSEB) (11th-12th Science) (2021 – 2023)(PR:95)
- ❖ **Masoom School** – Primary & Secondary Education(GSEB) (1st-10th Standard)
(Passout Year: 2021)(PR-99.85)

EXPERIENCE

- ❖ **Hackathon Participant** – Coding Ninjas (*Regional Round: March 27-28, 2025*)
 - Advanced till the 2nd round of the competition.
 - Developed solutions for problem statements and participated in competitive programming challenges.

ACADEMIC PROJECTS

Priya's Management Clinic (API Challenge Project)

- **Tech Stack:** HTML, CSS, JavaScript, Bootstrap, Postman API, PHP
- Developed an API-based clinic management system to handle patient records and appointments.
- Used Postman for API testing and hosted the project on GitHub.
- **GitHub:** github.com/priyavora46/Priya-s-Clinic

OneEvent (Event Management System)

- **Tech Stack:** React.js, Node.js, Express.js, MongoDB
- Developed a platform for event registration, live scoreboard, and certificate generation.
- Integrated user authentication and database management.
- **GitHub:** github.com/priyavora46/oneevent

☛ Weather App

- **Tech Stack:** HTML, CSS, JavaScript, OpenWeatherMap API
- Built a real-time weather forecast app that fetches and displays current weather data by city name.
- Focused on responsive UI and API integration for accurate data display.
- **GitHub:** <https://github.com/priyavora46/Weather-app>

🍽️ Recipe Finder App

- **Tech Stack:** React.js, CSS, TheMealDB API
- Created a recipe search app with filters for cuisine, ingredients, and vegetarian options.
- Implemented dynamic routing and detailed recipe views with API integration.
- **GitHub:** github.com/priyavora46/recipe-finder

🌐 Personal Portfolio Website

- **Tech Stack:** HTML, CSS, Bootstrap
- Designed and developed a responsive personal portfolio to showcase projects, skills, and resume.
- **GitHub:** <https://github.com/priyavora46/Personal-Portfolio>

ACHIEVEMENTS / HOBBIES

- **Hackathon Finalist** – Selected for the regional round at Coding Ninjas Hackathon 2025.
- **API Challenge Project** – Built "Priya's Management Clinic" and showcased it on GitHub.
- **Meme Contest Competition** – Coding Ninjas – Won a meme competition organized by Coding Ninjas.
- **Volunteering Certificates** – Recognized for contributing to Xensis 2024, Squid Game in MU fest2025, and 1st rank in Anti-Ragging Rangoli Competition.
- **Music & Problem-Solving** – Enjoys listening to music and solving mathematical problems.
